## ***True Evergreen Royalties***

Some things in life are unavoidable. Some are good, some are bad. But they are simply unavoidable. This makes them very important in the lives of everyone on this planet. This also makes them EVERGREEN. That means people will return to them all the days of their lives. Let's take a look at what I call the *7 Life Changers*:

***1 - Health & Diet***

***2 - Weddings***

***3 - Pregnancy***

***4 - Family & Kids***

***5 - Moving House***

***6 - Divorce***

***7 - Funeral***

Even if some of these don't happen directly to you, they will affect someone close to you. Some of these are celebrated, some are not. But they are all important. They are milestones in life. People need help with all of these. And many of these create cherished memories. That means they are perfect for one-pagers! People want to remember these very important events and transitions.

**So let's brainstorm some one-pagers that inspire people.** Remember, these one-pagers are always on your wall, always reminding you, always motivating. To be honest, this is the exact thing I need! Sometimes we all could use a little help staying on track. Let's start with Health & Diet:

Write an inspiring, tough message about losing weight. No more than 20 words.

"Embrace the challenge. Shed the weight. Unleash your strength. Reveal your true self. You've got this!"

Write three more.

1. "Transform your body, ignite your spirit. No excuses, just dedication. Make it happen!"
2. "Believe in your power to change. Sweat, strive, and soar. Your journey begins now."
3. "Break free from the past. Embrace the grind. Sculpt your future. Unleash the extraordinary within."

These actually are pretty darn good! We need to be careful not to insult the customer when talking about health and dieting. But we don't want to write something bland and uninspiring. It's a bit of a balancing act. And AI did a very good job here. These are strong, without being insulting.

**We go the second category: Weddings.** This is a huge topic, but let's start at the beginning. Finding a soulmate! I have many friends who long for someone to share their lives with. This is important stuff. And a one-pager on the wall can keep you on track and give you hope. So let's see what good ole AI can do for us:

Write an inspiring, tough quote about manifesting a soulmate. Use plain language. No more than 10 words.

< 5/5 >

"Believe. Attract. Love finds a way."

< 3/3 >

Write three more.

1. "Heart open, destiny calls, love answers."
2. "Faith in love, soulmates align, magic begins."
3. "Trust in fate, love manifests, never settle."

I'm constantly impressed at just how good AI has become. Did you notice this one: *Faith in love, soulmates align, magic begins.* That is actually very inspiring! I wouldn't mind having that on my wall. Here we have faith, love, and magic in the same quote. Good stuff.

Did you notice the very last quote mentions *never settle*? I have many friends that tell me this exact same thing. They want a true soulmate, they don't want to settle for anything less.

**What about bringing a child into this tumultuous world?** This is a very big step. We realize the tough times we've been through, and we wonder what our child will have to face. So let's give people some inspiration that it will all work out, that it will all truly be worth it. Let's see what AI gives us:

Write an inspiring, tough quote about bringing a baby into this scary world. Mention the child. Use plain language. No more than 10 words.

< 7/7 >

"Born brave, the child lights hope in darkness."

Three more.

1. "Small hands, big dreams, unstoppable force."
2. "Innocence conquers fear, child will lead."
3. "Tiny heart, boundless courage, world changer."

I really like *Born brave, the child lights hope in darkness*. That is truly inspiring. I also like *Small hands, big dreams, unstoppable force*. These are perfect for one-pagers. You can tweak and edit them if you wish, but these are pretty much ready to go. Creating these one-pagers has made me realize: *We are in the business of giving people hope*. This is a very positive thing that we can be proud of.

**What about the death of a loved one?** This is something we don't think about when we are young. We think somehow it just won't touch us. Or maybe the people we love will live forever. But the reality is far different. No one can prepare for this. We can only do our best to recover from it. Let's see what AI gives us:

Write an inspiring, tough quote about recovering from the death of a loved one. Use plain language. No more than 10 words.

< 9/9 >

"Rise from pain, love's legacy fuels strength."

< 2/2 >

Three more.

1. "Grief fades, resilience prevails, life goes on."
2. "In darkness, find courage to embrace light."
3. "Memories endure, guiding us through heartache."

< 3/3 >

That first quote is actually helping me! It just has a soothing quality to it. *These one-pagers would be amazing gifts to receive right when you are at your lowest.* Some people would say that sentiments like these are silly, but I think they can really help pull someone out of a dark place. And sometimes it's not that easy to get out of a very dark state of mind.

**We must strive to always be BETTER than our competition.** That's how we stand out, that's how we win. We are in this for the long haul: LIFETIME ROYALTIES. So we do everything we can to get the edge. A very effective way to do this is with graphic design. This makes our one-pagers rise to the top. And this can be done extremely cheaply. Check this out:

## **Health and Diet**

There are almost limitless opportunities for profit in this niche. Always approach a niche from this point of view: What are people desperate for? How can I help them? How can I solve their problem?

Brainstorm these questions: Do you feel tired? Do you feel unfocused? Do you feel out of shape? Are you in pain? Do you feel like you've lost some of your strength? Do you feel unmotivated? Do you feel sad?

## **Weddings**

Very powerful niche. Why? Because a wedding is a very big deal, people are pressed for time, and are willing to pay top dollar for information that helps them have a perfect wedding.

Brainstorm: Do you want to be in better shape for the wedding? Do you want to get the most out of your wedding budget? Do you know the exact shots the photographer is going to take? Do you know the top wedding locations?

## **Pregnancy**

This is a no brainer. People want a healthy baby and therefore are very worried about the mom's health and the baby's health. This is an extremely big life event.

Brainstorm: Are you as healthy as you can be? Do you smoke? Do you drink? Do you take vitamins? Do you work full time? Do you know your rights when it comes to maternity leave?

## **Family and Kids**

This niche is limitless because families are under so much pressure these days. Families break apart. It can be very scary stuff. Keeping a family together in modern times is not easy. And that means people want information and solutions that help their family.

Brainstorm: Is your family close? Is your family healthy? Is your son too aggressive? Is your daughter too shy? Have you planned on sending your kids to college?

### **Moving House**

Any transition is stressful! Moving from one neighborhood to another is very stressful. Moving from one state to another is even more stress. And let's not mention moving to a foreign country. People want to organize their move so that the stress level decreases.

Brainstorm: Will your things be safely transported? Are there good schools where you are moving to? Is the crime rate high where you are moving to? Are the people friendly where you are moving to? Are there great job opportunities there?

### **Divorce**

This is another high-stress transition. And it's filled with complicated legal consequences. Not to mention emotional torment and pain. Plus, if children are involved, things get even more complicated.

Brainstorm: Do you know how to choose a good lawyer? Do you know your rights? Who will get custody of the kids? Do you know your visitation rights?

## Funeral

This is a big transition for the people who lost a loved one. Lives can change drastically when someone passes. Especially if that person was a breadwinner.

Brainstorm: Did your loved one have a will? Do you know how to choose a funeral director? Do you know how to choose a coffin? Did your loved one leave behind debts?
